One copy of an 8-1/2" x 11" vicinity map drawn to City of

One copy of an 8-1/2" x 11" site layout plan drawn to City of Redmond Submittal Standards (suitable for public notice)

G. Five (5) copies of a City of Redmond SEPA Checklist and one (1) copy of a SEPA Application Form are required with a complete response provided to all questions. **You must provide a completed SEPA application form** even if the project is exempt

from SEPA.

Redmond Submittal Standards (suitable for public notice)

| H. All plan sets shall be submitted on sheet sizes no larger than 22x 34. All plans must be drawn at an engineering scale of 1" = 50' unless otherwise indicated or approved by staff. | |
|--|--|
| | |
| I. All plans must make a distinction between existing and proposed features/improvements. | |
| | |
| J. For large sites, five (5) copies of a site plan showing the entire site on one 22" x 34" sheet | |
| | |
| K. Copy of signed PREP Memorandum of Understanding | |
| | |
| M. Completed Attachment A | |

III. Site Plan/Supporting Documents Requirements
All plans and materials must demonstrate compliance with the Redmond Community
Development Guide and must include the items below

| A. Five (5) copies of a Site Plan, drawn to a scale of no smaller | |
|---|--|
| than $1'' = 20'$ showing the following information for the subject | |
| property: | |
| 1. General Information (to be provided on cover sheet) | |
| -Legal description and parcel number(s) of the site | |
| -Proposed IBC construction type | |
| -Site Size, gross and net (square feet and acres) | |
| -Small scale vicinity map relating the proposed | |
| development to existing streets, other developments and | |
| significant land features within ¼ mile of the subject | |
| property. | |
| -Name, address, phone number and e-mail address of the | |
| developer, building, surveyor, engineer (s), architect, land | |
| planner, arborist and other professionals involved | |
| - Notation of existing zoning classification | |
| Location of buildings related to the action | |
| 3. Location and dimensions of proposed street and/or utility | |
| proposed within the critical area. | |
| 4. Parking areas, landscape areas and other development | |
| features | |
| 5. Site topography at 2-foot contours | |
| 6. Existing Critical Areas, including streams, wetlands, | |
| frequently flooded areas, fish and wildlife habitat | |
| conservation areas, wellhead protection zones, landslide | |
| hazard areas, erosion hazard areas, seismic hazard areas, | |
| ponds and other surface water features, and associated buffers | |
| | |
| 7. Location of any State Shorelines and their associated wetlands. Plans must demonstrate compliance with | |
| RCDG 20D.150, Shoreline Regulations. | |
| 8. Any proposed mitigation needed to reduce or | |
| eliminate the impact to the Critical Area. | |
| 9. If the site is within the floodplain, the Base Flood Elevation | |
| must be shown | |
| B. Three (3) copies of a CAO (Critical Areas Ordinance) Report for | |
| Critical Landslide Hazard areas which contains all applicable | |
| information within Appendix 20D-2 of the Redmond Community | |

| Development Guide, including a geotechnical evaluation identifying | |
|--|--|
| the risks of damage from the proposal, both off site and on site. | |
| The evaluation must include an analysis of whether the proposal | |
| will increase the risk of occurrence of the potential geologic | |
| hazard, and must identify measures to eliminate or reduce risks. | |
| C. Two (2) copies of a CAO mitigation report/plan | |
| demonstrating/describing compliance with the Critical Areas | |
| Ordinance (RCDG 20D.140) | |
| D. The applicant must provide in writing and graphical depiction how | |
| the request satisfies each of the criteria listed below: | |
| the request satisfies each of the criteria fisted below. | |
| 1. The proposed street and/or utility must be identified in an | |
| | |
| adopted plan as of October 1, 1997, such as the | |
| Comprehensive Plan, Capital Facility Plan, Transportation | |
| Improvement Plan or other Utility Facility Plan. | |
| | |
| 2. The applicant must demonstrate that alternative locations for | |
| the street and/or utility have been considered which avoid | |
| impact to the landslide hazard areas and are determined to | |
| be economically or functionally infeasible. | |
| | |
| 3. The applicant must demonstrate that if no other feasible | |
| alternative exists, other than location the street and/or utility | |
| within a Landslide Hazard area, that the impact to such area | |
| has been minimized by limiting the magnitude of the | |
| proposed construction to the extent possible | |
| E. Other items required (to be completed by staff prior to intake | |
| meeting) | |
| 1. | |
| 2. | |
| 3. | |
| | |
| 4. | |
| 5. | |
| 6. | |
| 7. | |
| 8. | |
| 9. | |
| 10 | |

Attachment A Staff Approval for Scheduling Formal Application Intake Meeting for *PREP* Project

(to be completed by City review staff)

This form is to be completed at the <u>end</u> of the PREP process. Upon completion of this form by the City review staff, the applicant may schedule a formal intake appointment by calling 425-556-2494. The applicant must bring this form (original) to the appointment to bypass the review for completion. In order to ensure a smooth intake process, please have your filing fees estimated by a Planner prior to your appointment. Please note this form is NOT required for submittal of plans for PREP Kick-Off Meeting. Please refer the PREP Pre-Application Form if you are just beginning the PREP Process.

The following project has been reviewed for completeness of the PREP submittal

| requirements and may be accepted by the | e Development Services Center: | |
